

# Curricular Planning Guide for Technology Integration

## Increasing Complexity of Technology Skills

Technology choices become autonomous

## Increasing Levels of Cognition

Curriculum mastery deepens

Directions

In each activity box, list the approximate date and give a brief description of the activity.

In the box below, list the technologies that students should master

Activity 1

Technologies  
Learned

Activity 2

Technologies  
Learned

Activity 3

Technologies  
Learned

Activity 4

Technologies  
Learned

Activity 5

Technologies  
Learned

Activity 6

Technologies  
Learned

Activity 7

Technologies  
Learned
